Published twice a year (June and December) under the **Marshall Cavendish Academic** imprint for the Department of Social Work and Psychology, National University of Singapore, the *Asia*

Pacific Journal of Social Work and Development is an international refereed journal that promotes awareness of social issues, social development and social practice in the Asia Pacific region. The journal also aims to develop and disseminate social work knowledge, and to enhance professional practice. It provides links between regional and international research, education and practice of social work.

Published twice a year (June and December) under the **Marshall Cavendish Academic** imprint for the Department of Political Science, National University of Singapore, the *Asian Journal of Political*

Science is one of the leading academic journals published in Asia on the major domains of political science, including comparative politics, international relations, political theory, and public administration. It publishes high-quality articles on various aspects of politics and governance in Asian countries.
