CAPTAIN CAKE

Meet the Candy Crew

For Viewing only

This is just a plain old cake on a plate.

Chapter One
The Candy Crew
Comes to Life

For Viewing only

It sits on the plate with a bar of chocolate, a mound of jelly and, for some reason, a sweet potato.

Suddenly, a beam of light shines over the plate and the plain old cake becomes Captain Cake.

The beam of light comes from General Rock's special ray gun, and everything else on the plate also comes to life.

General Rock needs a crew for his new spaceship, *The Sweet Candy*.

Captain Cake meets with General Rock and Commander Pickle.

They give him the mission of flying *The Sweet Candy* to where no sweet has gone before.

For Viewing only

Captain Cake accepts the mission
and gathers the crew.

General Rock tells them that
they will be known as the Candy Crew.

Before they begin their journey,
they need to learn of their superpowers.

For Viewing only

Captain Cake discovers that he can blast cream and jam from his hands.

Lieutenant Chocolate can blast caramel and chocolate chunks from his hands.
