With its cutting-edge skyscrapers standing cheek to cheek with traditional Chinese shophouses, picturesque mosques, and neoclassical edifices of its colonial past, Singapore is a traveller's dream, a richly stimulating blend of East and West, old and new. What's more, Singapore's compact layout makes it simply ideal for exploring on foot. Let author Gregory Byrne Bracken show you the best walking routes through the city via his vivid drawings of Singapore's myriad sights – from its iconic landmarks to hidden gems – accompanied by insightful commentary and practical information for the visitor. This revised and updated fifth edition of *A Walking Tour Singapore* features new illustrations and updated itineraries designed to lead you to the very heart of this complex and ever-changing city.
